FAQ'S

I would love Deckerdenance for our event -but what are my options for location?

We can host your event at our events field in North Warwickshire - we have ample space for Deckerdenance, additional structures, activities, parking & galloping.

Or as a mobile venue, we can bring Deckerdenance to you. Before confirming your booking we will come & check out the land and make sure everything will be ok!

Do I have to use your suppliers?

No, we are happy to work with the suppliers you choose. Once you have booked them, we will work with them on the logistics & requirement side. We will send them details of our location, arrange their power requirements and check over their documentation.

Do you have any supplies you recommend?

Yes, with over 20 years of experience in weddings, parties and events - we have the best suppliers! Anyone we recommend to you is done on trust, not commission! We recommend them because we know them, like them, trust them, & have worked with them - it's not about them paying us to recommend them to you!

I've seen hotels that have marquees - why are you different?

Marquees at hotels tend to be just a larger space for traditional conference style events. We specialise in outdoor events and weddings and have over 20 years of experience. Freedom - as an independent venue you can have a choice of drinks served, outdoor activities such as firepits & fireworks.

Why is it so hard to compare companies pricing for outdoor venues and marquees?

Many companies only include the core elements such as structure and furniture. They don't include or offer toilets, generators, or land hire - with Deckerdenance we clearly list everything included in each package.

After booking you can, of course, add in drinks packages, and glamping options - but with our packages all the infrastructure and staffing are included.

I want Deckerdenance for my Event- what's the next step?

Great news! The next step is to let us show you around virtually You can quickly and easily book a virtual viewing so we can chat through your party plans. To hold a date with us from your virtual viewing there is a £1000 deposit. Then the planning can begin. We have payment options of 4 installments or a interest free monthly payment plan

We love the package options - but there are elements we would like to change - is that possible?

Absolutely we can design a bespoke package to your match your exact requirements.
